On what kinds of community or state boards, committees, or groups would you like to become active in the future?

☆ COMMITMENT ☆

Logan County Leadership consists of ten four-hour sessions, plus graduation. All sessions will be from 7:30 to 11:30 AM on Fridays, beginning September 9 through November 18, 2011. Participants are expected to attend all sessions* to qualify for a certificate of graduation. Additional program requirements include the completion of a team project, attending one Lincoln City Council meeting, and attending one Logan County Board meeting. If you find you are unable to make such a commitment, it is probably not in your best interest to apply at this time. (*One emergency absence will be allowed.)

I understand the purpose of the Leadership Logan County program, have the full support of my business, and, if selected, will devote the time required to complete the program.

Applicant's Signature _____ Date _____

I support this applicant to Leadership Logan County and agree to provide him/her with the necessary release time to fully participate in all activities.

Employer's Signature _____ Date _____
